

Century Maintenance Cleaner

Exceptional Cleaning Power

Penetrates and suspends soils for efficient cleaning by automatic scrubbing or damp mopping. Great for use in UHS Programs.

Neutral: pH 7

Non-alkaline formula means glossy floors will not be dulled and Century is safe for all surfaces not harmed by water. Can be used on polished marble-stone surfaces.

Rinse Free

Does not leave a film, no extra rinse step needed. The excellent wetting and surface tension reduction allows Century to be used as an effective rinse aid after stripping.

Environmentally Responsible

Century Maintenance Cleaner contains biodegradable surfactants and is not formulated with VOC's, butyl, petroleum derived solvents, NPE's or phosphates.

This product meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

Use good safety practices: wear rubber gloves & safety goggles when handling cleaning products.

Disposal: waste from normal cleaning procedures may be sewered, depending on the materials being cleaned as well as state, federal and local sewer commission regulations.
